

WARNING, READ BEFORE USE!

Warning Information For Tire Chains, Tires and Wheels

- WARNING** - Traction devices may cause cosmetic scuffing on tires when installed.
This condition is unavoidable on certain tread types and tire designs.
- WARNING** - Wheels are also at risk of cosmetic scuffing with the use of traction devices.
Wheels using low profile tires such as 35, 40, 45 and 50 series tires are at higher risk due to the short height of the tire sidewall.
- WARNING** - Traction devices must hang down over the sidewall of the tire in order to stay on the tire while being used.
- WARNING** - Vehicle components (ABS sensors, brake lines, etc...) can be damaged if the traction device strikes the components. Pre-fit traction device before use and check clearance.
- WARNING** - Traction devices can break during the course of their normal and extreme service life.
(If traction device breaks, remove immediately.)
- WARNING** - Traction devices are designed for snow or ice covered road surfaces, not bare pavement.
Running traction devices on bare pavement increases the wear and chance of component failure.
- WARNING** - Traveling at speeds faster than 30 MPH also increases the chance of component failure.
- WARNING** - Using traction devices with component failure is extremely unsafe and may cause loss of control or damage to the vehicle. **(If traction device breaks, remove immediately.)**
- WARNING** - Traction devices that have been broken should immediately be repaired or replaced.
- WARNING** - The use of traction devices are at the risk of the vehicle operator.
- WARNING** - Vehicle operators unwilling to accept the possible risks with the use of any traction device installed on their vehicle such as, but not limited to, accident, vehicle damage, tire damage or wheel damage, should not use any traction device on their vehicle.

Under no circumstances will compensation for damage be considered by QCC where the damage is found to have resulted from the misuse of any traction device.

WARRANTIES

**SPEEDS OVER 30 MPH, IMPROPER FIT OR IMPROPER INSTALLATION
VOID THESE WARRANTIES**

1. **DISCLAIMER OF WARRANTIES:** The products listed in this catalog are warranted free from defects in workmanship and material for thirty (30) days from date of delivery. No other express warranty is given and no affirmation of seller, by words or action, shall constitute a warranty.
2. The above warranty is made only to the dealer, retailer or other direct customer of Quality Chain Corp. (hereby referred to as QCC). QCC makes no warranty to the ultimate user and prohibits the transfer of the warranty given above to its direct customer to any subsequent purchaser, including but not limited to ultimate user.
3. **REMEDIES:** The Buyer's sole remedy for breach of any warranty is limited exclusively to obtaining, at the discretion of the Seller, either credit, repair or replacement of any product sold hereunder by QCC which shall be returned to seller's plant, transportation prepaid within thirty (30) days after delivery to a user and within ten (10) days of discovery of alleged defect, and which QCC inspection shall determine to be defective. Buyer shall not be entitled to recover any incidental or consequential damages. No material shall be returned without written consent of the seller.

TERMS: Net 30
